Hi Mike,

Happy New Year. Thanks for reaching out. There is going to be a new Bridge Home on Shrader and LAHSA has been conducting intense Outreach in this area. LA Sanitation has placed new wire trash baskets and will be putting 2 trash bins to help decrease the trash. Many of the Homeless are beginning to hang out and live in this area in hopes they get on the list for the new ABH Site. Matthew went to a meeting today regarding this area and his E 6 Teams will continue to be in the area. There is a scheduled CSLA for 01/23/19 but it may get moved to the following week due to the Homeless count.

Thanks Much for the information and I will keep you posted on any efforts in this area.

Take Care,

Emada

Lt. Tingirides,

Hello and happy New year. My officers received a complaint regarding homeless at Gower/101 freeway, N/E/C Hollywodd/Gower and Carlos east of Gower. There are some significant crime numbers in the area and the homeless have presented some issues for the preschool in the area. Any chance we can get some outreach focused in the area and clean up as needed?

Thank you,

Sergeant Mike Padilla
